READER CATALOG **SKIN EFFECT**

LET YOUR IMAGINATION FLOW

Every signature is the expression of a clean and specific style. Thanks to the many possibilities of customization, STid gives you the opportunity to personalize your own reader to adapt it to your company's colours and to integrate it into its installation environment.

As a service provider with a complete industrial process, STid integrates all steps of design, study, manufacturing and specific packaging.

The possibilities of customization are infinite: your logo can be printed in digital UV or pad printing, your cases can be customized with a decorative material effect or declined in your colors without any limit... Your reader will then be as unique as your imagination!
